Instructions: Please fill out the following form as thoroughly as possible, with the information about the TPF Grant scholarship recipient. Please fill out one form per student if there is more than one student benefiting from TPF scholarship grant. **If possible, please share any photos of the scholarship recipient.**

Additional documents about the student's academic achievements including transcripts and certificates should also be submitted. Email the completed form and any other additional documents to senay@tpfund.org.

Name of Organization Giving Scholarship:	TOHUM, The Foundation For Early Diagnosis and Education of Autism in Turkey
Name of Scholarship Recipient:	Ömer
School Name and Year in School:	TOHUM, Special need school, 2 years
Location in Turkey:	İstanbul/Şişli
Academic Year of Scholarship:	2013-2014
Scholarship Amount:	6.558 \$
Related Organization Project Name:	TOHUM, Special need school student scholarship
Past academic achievements and awards of student:	Ömer began his education in January, 2012. When he began his education with TOHUM, he had serious behavioral problems such as throwing temper tantrums, vomiting and crying. He didn't have imitation skills and couldn't follow directions. Ömer Ege couldn't speak and play with peers. He didn't engage during leisure time activities. Also he didn't have self care skills such as using the toilet.
Current academic standing (grades, ranks, etc), achievements and awards of student:	Ömer has been with TOHUM for three years. Now he goes to primary education together with peers. He has imitation and self-care skills, he can follow directions, play with peers, engage during leisure time activities, and interact with everyone. Also he is answering questions. Another important point is that he does not have any behavioral problems.
Anecdotes from scholarship recipient about organization, TPF, scholarship program or award. (Words of the student may be quoted in TPF promotional materials)	Ömer's parents are very pleased to have received a scholarship from TPF. Without your support he was not able to continue his special needs education program in our school.
Other notes or information	Intensive education is needed.
